Black Mountain - White Light world tour

with special guest: **Shannon Noll**

Seven studio albums and now seven Australian tours!

After an absence of nearly two years, multi-platinum rockers Live return to Australia this October!

Having last visited during their "Awake – The Best Of" Tour in 2004, Live are back to bring to you their anthemic rock classics and to deliver their 2006 SonyBMG album release *Songs From Black Mountain*.

With album sales in excess of 20 million, Live's guitar-based dynamic rock combined with Ed Kowalczyk's passionate, self and spiritually aware lyrics, continues to be a force around the world.

Coming out of Pennsylvania in the late '80's, Live's stunning success over 15 years has produced seven previous, highly successful and multi-platinum albums.

Debuting with *Mental Jewelry* in 1991, their real break came with their 2nd release *Throwing Copper*, selling over 12 million copies world-wide with three huge singles lifted from the album including *I Alone & Selling The Drama*. With the band now established in rock's mainstream, the album made it to Billboard's #1 spot 52 weeks after it's original release.

Live's 3rd studio album *Secret Samadhi* ('97) hit #1 on the Billboard charts, followed up by *The Distance To Here* ('99), *V* ('01), *Birds of Prey* ('03), and *Awake: The Best of Live* ('04).

Live have been regular visitors to Australia since 1995, a consistency and live performance reputation that has built them a large and loyal audience.

Special guest is Australia's foremost male performer **SHANNON NOLL**, who will be opening up for Live throughout their October national tour in what are among the final live shows of his current touring cycle.

Noll's stunning debut album in 2004 *That's What I'm Talking About*, confirmed Noll as a true talent and a real Australian idol. Three huge #1 singles were taken from the multi-platinum album including the classic cover *What About Me*.

Building on the enormous success of his debut, in late 2005 Noll released his follow-up album *Lift*. Reaching #1 on the album charts and already boasting 2 huge hits *Shine* and *Lift*, with a 4th single *Lonely* to be released through SonyBMG on August 19.
