SCISSOR SISTERS

TA-DAH!!

THEY'RE BACK... AGAIN!
ANNOUNCING A 2ND SYDNEY SHOW!

Scissor Sisters are coming back in February to thrill, amaze and excite their legion of Australian fans, now with 2 Sydney shows!

Last in Australia in July to headline the "Splendor in the Grass" festival, Scissor Sisters delivered a sensational exclusive Sydney show that sold out in less than 2 hours, and drew rave reviews from those lucky enough to have secured tickets to the hottest gig of the year.

"Two of the funkiest people in music were strutting, bumping and burning their way along the Big Top stage – Scissor Sisters' Jake Shears and Ana Matronic." Drum

"They kick into Take Your Mama... sheathed in glitter to roars of appreciation from the crowd... Musically it's part rock opera, part glam rock, cabaret and disco. Hard to categorise – and that's how the Sisters like it." 3D World

Impeccable style and a suckerpunch of a live show – cutting edge has never sounded more irresistibly decadent!

Following the release of their second album, the #1 debuting *Ta-Dah* and its chart-topping first single "I Don't Feel Like Dancin'", Scissor Sisters will be bringing all the fun and the funk to Sydney, Melbourne, Brisbane, Adelaide and Newcastle.

Breaking out of New York in 2003/2004 and making a worldwide splash with their debut album, Scissor Sisters have injected a well needed dose of fun and frisson back into pop music, at times sounding like they're partying hard on cheap champagne, at others making music both beautiful and surprising wistful – an ideal soundtrack for the morning after!

Put on your disco hot pants and sequins, slip on your dancing shoes and get ready for the sexy musical talents of the Scissor Sisters!
