

ENVIRONMENTAL SUSTAINABILITY POLICY STATEMENT

The Sydney Entertainment Centre is a multi-purpose entertainment facility providing a platform to stage a variety of entertainment, music, television broadcasts and sports events in which to welcome and entertain patrons.

At the Centre, we are determined to continue making sustainability a core part of the way we conduct our business. To achieve this outcome, we accept and embrace our social responsibility as a corporate member of the Sydney, Darling Harbour, Chinatown and Haymarket communities.

The Centre practises responsible environmental management by conservation of resources, prevention of pollution, compliance with relevant legislation and by continually leading by example in adopting the best environmental practices.

Our commitment is demonstrated by:

- Developing an Environmental Management System that addresses the specifications of the International Standard 14001
- Ongoing compliance with relevant legislation,

Codes of Practice and the requirements of the 'Sustainability Advantage Program'

- Proactively reducing the environmental impact of the various activities held at the Centre, with an emphasis on the reduction of water, carbon based energy and waste
- Setting measurable environmental objectives and targets
- Assessing the effectiveness of our environmental performance by periodic auditing of our system and objectives through benchmarking to continually improve
- Creating awareness programs for our suppliers, promoters and organisers to identify, quantify and mitigate the environmental impact of their activities
- Communicating openly our policy and objectives to our employees, contractors, organisers, promoters, suppliers and the public in order to enhance their awareness of our ongoing commitment to responsible environmental management
- Providing appropriate training and resources to our employees to fulfil our environmental objectives and obligations
- Creating social engagement opportunities that provide benefit to our industry and our community as a whole.
